Online Writers to Check Out!

Packwolf Lupestripe

Lupestripe.com

Lupestripe is a writer of SFW and NSFW stories who also does a lot of work on the writing tracks at conventions in Europe. Her newest story, *Back to the Molly House*, appears in the anthology *The Wideness of the World* by the Furry Historical Fiction Society. Other recent short story anthology publications include *Snapshots* in the Summer 2025 edition of *Oh Murr*, and *Would?* in the lesbian romance anthology *Wild Hearts*.

Televassi

Televassi.tv

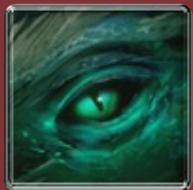

I first read Televassi's work in the anthology *Gods with Fur* and I've been hooked ever since. Televassi has appeared in many anthologies, such as *Dogs of War II* and *Dissident Signals*, and earned a Coyotl award for their story *To Your Own Defenses*, from the *In the Light of the Dawn* anthology. They currently write for the visual novel *Conway* and are working on their first novel. I recommend A 'Good' Raid and Stranded on their Furaffinity page.

Arilin Thorferra

Giants-Club.net

Arilin Thorferra specializes in writing giant (macro) furry stories. She has written several short stories, serials, reviews, and articles which you can read for free on her website. Her new book, *The Turning*, about a goddess who accidentally creates a pantheon of new queer goddesses, is available at FurPlanet. You can also find Arilin's work featured on The Voice of Dog podcast.

Faora

FaoraMeridian.itch.io/void-dreaming

Faora recently released *Void Dreaming*, a massive visual novel illustrated by Vallhound. It's a sci-fi story with RPG mechanics and a head spinning number of branching paths that you can play for free. He also has an online novel, *Interwoven*, which is one of the most compelling works I've found on a furry site thus far. Faora also appears in short story anthologies, such as *Dissident Signals*.

Buddy Goodboy

BuddyGoodboy.com

Buddy Goodboy has appeared on many con panels sharing his writing experience. He writes in a variety of genres, specializing in fatfur stories that include weight gain and feedism. He is also the editor on the newly released *Indulge* short story anthology, which is available at Furplanet and features a host of fatfur fiction. You can find much of his writing for free on his website and at Furaffinity.

Domus Vocis

[Furaffinity: DomusVocis](http://Furaffinity:DomusVocis)

Domus is always posting new writing on SoFurry and Furaffinity. Their story *Neon Bruises*, which also appeared on The Voice of Dog, is a great transgender Pride Month story, and their story *Tomes Entombed Within Me* from the anthology *In the Light of the Dawn* blew me away. His book *Two Souls of Fangcrest Manor* is a short, sweet supernatural gay romance book with some great illustrations by co-author FruitZ.
