Online Writers to Check out!

Televassi

televassi.tv

I first read Televassi's work in the anthology *Gods with Fur* and I've been hooked ever since. Televassi has appeared in many anthologies, such as *Dogs of War II* and *Dissident Signals*, and earned a Coyotl award for their story *To Your Own Defenses*, which is also a story in the *In the Light of the Dawn* anthology. They currently write for the visual novel *Conway* and are working on their first novella. I recommend *A 'Good' Raid* and *Stranded* on their SoFurry page.

Faora

faora.sofurry.com

A friend introduced me to Faora's online novel *Interwoven*, which is one of the most compelling works I've found on a furry site thus far. I highly recommend checking out this dramatic tale of a tiger prince and a hyena commoner grappling with being pulled apart by their duties to their kingdom. Faora has also appeared in short story anthologies, such as *Dissident Signals*, and is working on a massive visual novel project called *Void Dreaming*, illustrated by Vallhound.

Ty Fox

tyfox.sofurry.com

Another writer I was introduced to by a friend. Ty Fox has a novel coming out soon at Fenris Publishing called *Gravitational Pull*, which is the story of a gay wolf falling in love while trying to navigate their complicated, and often traumatic, life. I read an early version and can't wait to see the full publication. Ty has also appeared on The Voice of Dog podcast, with *An Alien in our Midst*, a story about a student struggling to understand their asexuality.

Rob MacWolf

[Sofurry: rob-macwolf.sofurry.com](http://Sofurry:rob-macwolf.sofurry.com)

[Bluesky: @robmacwolf.thevoice.dog](https://www.tumblr.com/robmacwolf)

Rob MacWolf hosts The Voice of Dog podcast, and his stories kick ass. He just released a new book called *You Look Lost, Pup* which is a three-part publication of some of my favorites of his road-tripping gay werewolf stories. I also highly recommend his story *Sing in Me, Holy One, and Through Me*, which is one of those stories that's just so hard to describe, and *All Means All*, about someone trying to explain ACAB to a gay cop.

Domus Vocis

domus-vocis.sofurry.com

I sadly didn't have room to feature Domus Vocis's book *Two Souls of Fangcrest Manor* in this handout, but it's a short, sweet supernatural gay romance book with some great illustrations by co-author Fruitz. Domus is always posting new writing on SoFurry. Their story *Neon Bruises*, which also appeared on The Voice of Dog, is a great transgender Pride Month story, and their story *Tomes Entombed Within Me* from the anthology *In the Light of the Dawn* blew me away.

Packwolf Lupestripe

Lupestripe.com

Lupestripe is a writer of sfw and nsfw stories who generously provided notes from their furry fiction showcase panel, which they ran at ConFuzzled with a team of furry writers, to help me put this one together. They've been featured on The Voice of Dog with their story *The Year of the Dragon*, in which a racing dragon yearns for freedom. More recently, they have three stories in *Work Fur Hire*, a book by Edwin@Work featuring job search advice paired with short stories by a bunch of furry authors.

Nenekiri Bookwurm

nenekiri.com

Nenekiri is an avid reader who has read far more furry books than me and who has written a plethora of book reviews for them. I'm a big fan of his stories *Underground Star* (from the anthology *The Reclamation Project*) and the beautifully-written flash fiction piece *You're My Guiding Star*. He's also coming out with his own dragon-themed short story anthology soon called *Tales of Scales*, and is a 'Friend of the Fireplace' on The Voice of Dog podcast.
