## Anthrocon 2025

Hi, I'm Shiloh Skye! Welcome to the handout for this showcase. Feel free to peruse it if you're tired of listening to my voice. I have some great recommended reads in here, and some info on how to get your paws on more furry fiction! I hope you enjoy!

**WARNING:** Many of the websites, podcasts, storefronts, writers, and books described in this handout also feature adult content; this includes, but is not limited to, sexual and violent content. Persons younger than 18 years old should not explore anything featured in this handout without parent or guardian supervision.

# Online Writers to Check Out!

## Pascal Farful

[pascalfarful.sofurry.com](http://pascalfarful.sofurry.com)

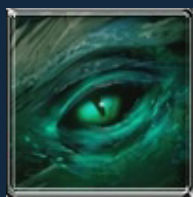

Pascal is a long time furry writer whose Victor Tremblay stories, about a gay lemur detective solving crimes in the 70s, really drew me in. His story *Victor Tremblay in - Saving Wendell Olsen* was featured on The Voice of Dog's Pride Month, and his story *Heaven will Weigh the Heart of Stone*, about a young man hoping to prove his masculinity by dueling the man he has developed feelings for, was one of my favorites from the *The Heavens Within Our Grasp* anthology.

## Televassi

[televassi.tv](http://televassi.tv)

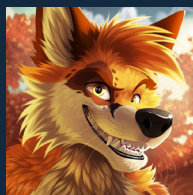

I first read Televassi's work in the anthology *Gods with Fur* and I've been hooked ever since. Televassi has appeared in many anthologies, such as *Dogs of War II* and *Dissident Signals*, and earned a Coyote award for their story *To Your Own Defenses*, which is also a story in the *In the Light of the Dawn* anthology. They currently write for the visual novel *Conway* and are working on their first novella. I recommend *A 'Good' Raid* and *Stranded* on their SoFurry page.

## Faora

[faora.sofurry.com](http://faora.sofurry.com)

Faora recently released a massive visual novel project called *Void Dreaming*, illustrated by Vallhound. It's a sci-fi story with RPG mechanics and a headspinning number of branching paths. You can play it for free at [faorameridian.itch.io/void-dreaming](http://faorameridian.itch.io/void-dreaming). He also has an online novel, *Interwoven*, which is one of the most compelling works I've found on a furry site thus far. Faora has also appeared in short story anthologies, such as *Dissident Signals*.

## Ty Fox

[tyfox.sofurry.com](http://tyfox.sofurry.com)

Another writer I was introduced to by a friend. Ty Fox has a novel coming out soon at Fenris Publishing called *Gravitational Pull*, which is the story of a gay wolf falling in love while trying to navigate their complicated, and often traumatic, life. I read an early version and can't wait to see the full publication. Ty has also appeared on The Voice of Dog podcast, with An Alien in our Midst, a story about a student struggling to understand their asexuality.

## Domus Vocis

[domus-vocis.sofurry.com](http://domus-vocis.sofurry.com)

Domus is always posting new writing on SoFurry. Their story *Neon Bruises*, which also appeared on The Voice of Dog, is a great transgender Pride Month story, and their story *Tomes Entombed Within Me* from the anthology *In the Light of the Dawn* blew me away. His book *Two Souls of Fangcrest Manor* is a short, sweet supernatural gay romance book with some great illustrations by co-author Fruitz.

## Packwolf Lupestripe

[Lupestripe.com](http://Lupestripe.com)

Lupestripe is a writer of sfw and nsfw stories who also does a lot of work on the writing tracks at conventions in Europe. They've been featured on The Voice of Dog with their story *The Year of the Dragon*, in which a racing dragon yearns for freedom. More recently, they have three stories in *Work Fur Hire*, a book by Edwin@Work featuring job search advice paired with short stories by a bunch of furry authors.
